

Department of Health Research (DHR)-
Indian Council of Medical Research (ICMR) Sponsored

WORKSHOP ON SYSTEMATIC REVIEWS AND META-ANALYSIS OF CLINICAL/TRANSLATIONAL STUDIES

Who should apply

The workshop is designed for students/ doctors pursuing MD/MS/DM/Mch/MPH or PhD in bio-medical sciences, post-doctoral fellows & young researchers carrying out clinical/translational research and who have interest in learning systematic reviews and meta-analysis

Registration process

- ❖ Applications in the prescribed format along with necessary enclosures should be submitted through Google Form on or before 11th December 2022.
- ❖ The list of selected participants will be posted at Institute's website (<https://nireh.icmr.org.in/>) by 15th December 2022.
- ❖ The selected participants will be provided free boarding and lodging. There is no registration fee but the participants will have to make their own travel arrangements to attend this workshop.
- ❖ The number of participants is limited to 20.

Date: January 9-13, 2023

Venue: ICMR-NIREH, Bhopal

The workshop will cover the following topics:

- **Evidence Based Clinical Research**
- **Developing a Protocol for Systematic Review**
- **Literature Search and Data Extraction**
- **Critical Appraisal and Reducing Bias**
- **Statistical Approach for Meta-analysis**
- **Reporting and Presenting a Systematic Review**

Faculty: The faculty for this workshop will be speakers with national and international research exposure, having experience in the field of Systematic Reviews and Meta-analysis.

Teaching and Learning Methods: The workshop includes class room sessions, hands-on training, group discussions, individual and group presentations aiming to generate a systematic review at the end of this workshop by the participants.

Certificates: The workshop certificate will be given to all the participants who will attend the complete workshop and all sessions each day.

Selection: Procedure of screening and selection will be done, by a duly constituted selection committee, **based upon the academic credentials and write-up** while submitting the application form.

Fees: There is no registration fee. Participants will be provided free boarding and lodging at ICMR-NIREH campus, Bhopal. Travel expenses are to be borne by the participants.

IMPORTANT INSTRUCTIONS

- Only required document (ID proof) should be uploaded.
- Applications submitted through Google form only shall be entertained. Any other form of application will not be considered.
- **Selected participants have to produce a “Letter of Authentication” from their Supervisor / Head of the department / Head of the Institute indicating their association with the institute and “No Objection Certificate (NOC)” for allowing them to attend this workshop.**
