

## INDIAN COUNCIL OF MEDICAL RESEARCH

### Pre-tender discussion

The Clinical Studies and Trials Unit (CSTU), ICMR plans to start six multi-centre trials. It is proposed to issue a tender to invite quotations from eligible IRDA-registered insurance companies which are interested in providing clinical trials liability policy or liability insurance, indicating the conditions and extent of coverage, date of commencement and expiry of coverage, and conditions thereof, including the premium and other costs, as per applicable rules.

As a preparatory step, a pre-tender discussion with interested insurance companies will be conducted on 10 July 2023 between 2 pm to 3 pm, through hybrid mode, to understand the requirements and mechanism needed for the tender process. Interested IRDA-registered insurance companies, who are interested to participate in the pre-tender meeting are requested to send an e-mail confirming their participation to the following email addresses on or before 7 July 2023, 3 pm.
