Call for Expression of Intent for Participation

ICMR Centre for Advanced Research for Phase I Clinical Trials

The Indian Council of Medical Research (ICMR) Hqrs, New Delhi aims to develop Centres for phase I clinical trial consisting of medical colleges/institutes across the country. The Centres will function as standalone facilities capable of effectively executing phase I clinical trials of the highest quality. ICMR will provide technical, financial, and administrative support. ICMR plans to have MoUs with universities/ institutes/ private organizations to identify and evaluate investigational products/ lead molecules through these Centres for phase I clinical trial.

An expression of intent is sought from institutions with the necessary facilities and capacity available to participate as ICMR's Centres for phase I clinical trial, which will enrol appropriate participants to successfully execute these trials. The selection process of Centres for phase I clinical trial will be at the discretion of ICMR, following due processes.
