

ICMR participated in 13th Jatiaya Sanhati Utsav-O-Bharat Mela-2017 organised by Bangiya Sewa Samiti, Kolkata during 14th to 18th December, 2017 at Sonarpur, Kolkata. In addition to ICMR Hqrs, its two institutes located at Kolkata i.e. National Institute of Cholera & Enteric Diseases, NICED, and Regional Occupational Research Centre East (ROHCE) participated in the exhibition. The exhibition was inaugurated by Shri Chiranjeet Chakroborty, MLA on 14th Dec., 2017. Hon'ble MLA Sh Chakroborty visited the ICMR pavilion. Dr K N Pandey, Scientist 'F' from ICMR Hqrs welcomed him and apprised him of the various activities and achievement of ICMR. The scientists from ROHC explained him about the devices displayed to measure the heat stress, sound level, etc. . On 15th Dec., 2017 Hon'ble Member of Parliament Smt Shatabdi Roy visited the ICMR pavilion. A large number of visitors including school students visited the ICMR pavilion during all these days where the scientists from NICED viz. Dr Hemanta Koley, Scientist 'E', Dr Abhik Sinha, Scientist 'D' and from ROHC viz Dr D Biswas, Scientist 'D', Dr Pawan Maurya, Scientist 'B' and the technical staff from both the institutes explained about the exhibits. On 18th Dec., 2017, Hon'ble Member of Parliament Smt Sandhya Roy visited the ICMR pavilion. During the valedictory function, Hon'ble M P Smt Roy gave away the mementos and certificates to the participants. Dr K K Ganguly, Scientist 'F' received the mementos and the certificate on behalf of the DG, ICMR.
