Proprietary Article Certificate (PAC) from the firm

This is to certify that M/S Molbio Diagnostics Private Limited, Plot No. L-46, Phase II D, Verna Industrial Estate, Goa - 403 722, is the manufacturer and marketer of the patented Trueprep® AUTO reagents and Truenat® disease specific micro PCR/RTPCR chips.

- i. The intended goods are manufactured by M's Molbio Diagnostics Private Limited
- ii. No other make or model is acceptable by ICMR-NIMR for the following reasons: Truenat is a battery operated Point-of-Care Real time PCR, which needs no infrastructure, requires minimal training and can be used in remote field settings for sensitive and accurate Malaria detection. Truenat is also an indigenous platform, extensively validated by ICMR for other disease detection like Tuberculosis, HPV and Nipah. There is no other commercially available system in the market that can be used for molecular detection and diagnosis of clinical blood samples in the intended settings.

- iii. Concurrence of the finance wing of Molbio Diagnostics Private Limited is vide:
