RAJESH BHUSHAN, IAS
SECRETARY

Dear Colleague.

As you are aware, "World Blood Donor Day" is celebrated every year throughout the world on 14th of June. The day marks an opportunity to thank blood donors for their act of saving lives through voluntary blood donation. The day is celebrated to increase awareness about need of regular non-remunerated voluntary blood donations.

2. To ensure that everyone who needs transfusion has access to safe blood, country needs voluntary, unpaid blood donors who donate blood regularly. An effective blood donor program requires wide and active participation of the population.
3. World Blood Donor Day is going to be observed this year in the country on 14th June 2022. The campaign slogan for this year's World Blood Donor Day is "**Donating blood is an act of solidarity. Join the efforts and save lives**".

(<https://www.who.int/news-room/events/detail/2022/06/14/default-calendar/world-blood-donor-day-2022>)

The specific objectives of this year's campaign are to:

- (i) Thank voluntary blood donors in the world;
- (ii) Create public awareness of the need for voluntary unpaid blood donation;
- (iii) Highlight need for committed, year-round blood donation, to maintain adequate supplies and achieve universal and timely access to safe blood transfusion;
- (iv) Recognize and promote the values of voluntary unpaid blood donation in enhancing community solidarity and social cohesion;
- (v) Build a sustainable and resilient national blood system and increase collection from voluntary non-remunerated blood donors.

The suggested action plan for the event is as follows:

- (i) The event will aim to maximize registration of willing blood donors along with optimal blood collection.
- (ii) To spread awareness among rural masses, activities of felicitation of blood donors and pledge taking ceremony may be organized at Gram panchayat level. The Pledge can be administered by the respective Sarpanch.

contd..2/-

- (iii) Similar, activities may be organized at the block and district level. The office of District Collector/District Magistrate may be involved to supervise the entire activities in the concerned district.
- (iv) A Pledge in English or Hindi or regional language for blood donation will be administered through both physical events at all levels and digital platforms. A template of the Pledge in English and Hindi is enclosed, which may be got translated into regional languages for wider dissemination.
- (v) To promote registration of blood donors and create awareness, facility for blood group testing may be made available on 14th June, 2022 at all PHCs/CHCs/Sub-district and District hospitals and other blood banks as per feasibility. This will help the common citizens to know their blood group which will be useful in emergencies for the purpose of blood donation. All Central Government Ministries, Hospitals/Institutions and Medical Colleges (Government and Private) are requested to organize similar activities on 14th June 2022.

4. Accordingly, you are requested to organize activities to celebrate the event and disseminate the information widely among various stakeholders. Further, it is requested, that a report along with the photographs of the celebration of the event may be shared with this Ministry.

Warm Regards.

Yours sincerely,

(Rajesh Bhushan)
