Prof B.V.N. Sachendra
Programme Director

February 21, 2011

The Director
Indian Council of Medical Research
Ansari Nagar
New Delhi - 110016

Dear Sir,

**Sub: DST Sponsored Programme on Science Administration and Research Management -
(18th to 29th April 2011) - Invitation for Nominations - Reg.**

We are writing this with regard to the series of programmes initiated by the Department of Science and Technology (DST), Govt. of India, being conducted by us at ASCI, Hyderabad for the exclusive benefit of Scientists & Technologists working in various S&T institutions, R&D labs and Autonomous bodies.

Prominent among the said programmes is a 2-week programme on **Science Administration and Research Management**, aimed at enhancing the capacities of experienced scientists and technologists in management disciplines, so that they could effectively shoulder senior-management / leadership responsibilities in the near future and also bring to fruition, their commitment to directed scientific endeavor, in an optimal way. We, at ASCI, have already conducted successfully, many training programmes of similar type for the scientific community during the Mar. 2005 – Dec. 2010 period. About Two hundred Scientists & Technologists have thus far been trained.

The 2-week training programme on Science Administration and Research Management is now scheduled from 18th to 29th April, 2011.

We would like to once again highlight that the entire cost of these training programmes is being totally borne by the DST, GoI. Institutions like yours nominating the participants need not incur any expenses towards programme fee / charges, except bearing the to & fro travel expenses of the nominees.

We look forward to your support and request you to nominate one or two Scientists / Technologists (of levels D / E / F / G, or equivalent) from your Institution for the 2-week training programme commencing 18th April 2011.

Regards.

B.V.N. Sachendra
