Sub: Filling up various posts of Scientists under Health Research Scientists Cadre in ICMR
and its Institutes/Centres by direct recruitment -

Sir/Madam,

I am directed to invite a reference to this office letter of even no. dated 15th May, 2008, delegating the powers to the Directors of the Institutes/Centres to fill up the post of Scientist 'B' to Scientist 'D' and to reiterate that the applications received in response to the advertisement for the posts of Scientist 'B' to Scientist 'D' are to be screened at the Institute/Centre's level. If required, a representative of the respective technical Division may be invited at the time of the Screening of applications. In keeping with the spirit of decentralization, the responsibility for errors of omission or commission rests with the Director/Director-in-Charge of the concerned Institute/Centres.

2. While forwarding the list of short listed candidates for DG's approval the Director/Director-in-Charge are advised to suggest the Composition of the Selection Committee strictly as per recruitment rules for Health Research Scientist Cadre ICMR, 2007.

3. Directors/Director-in-Charge are also reminded that the approval of the Director-General must invariably be obtained (indicating how the post fell vacant) prior to sending the advertisement to the press.

This issues with the approval of Director General, ICMR.

Yours faithfully,

J Pal
