Online Interview for the post of Project Scientist C (Medical)/Project Consultant (Medical)/Project Scientist B (Medical)/ Project Junior Medical Officer

Tuberculosis Prevalence Survey is a time bound activity and is crucial for TB elimination in India. It is planned to be undertaken on mission mode. NIRT has been embarking upon prevalence survey of Tuberculosis across the country expeditiously. To undertake this activity effectively and on a time-bound manner we are in search of candidates having high level of commitment and dedication to work mainly in field throughout India. Depending on the project requirements the staff may be posted in different states / state groups for completion of the project in timely manner. Preference will be given to those having work experience in National Health Surveys/ similar activities. These activities are being carried out through an ad-hoc research project of ICMR titled “National survey for state-wise prevalence of microbiologically confirmed pulmonary tuberculosis in India”.

Interested candidates who possesses the requisite eligibility criteria may apply online attaching the self-attested copies of credentials including latest caste/community certificate preferably in Hindi/English issued by the competent authority and uploading a photograph latest by **31st march 2021** till **5:00 p.m.** The online link is <https://forms.gle/aNj6FYXQiGNGJDfv7> which can be accessed through our website www.nirt.res.in and www.icmr.gov.in and respective websites of ICMR Institutes/centres coordinating the project. The date of online interview will be intimated to the short-listed candidates. The short-listed candidates should make their own arrangements for videoconferencing facility to attend online interviews and test for which the web link will be shared by NIRT.

The following posts will be filled by conducting online interview among the short-listed candidates.
