DHR-WINTER SCHOOL ON SYSTEMATIC REVIEWS AND META-ANALYSIS

Important instructions:

1. We received a total of 231 applications as of last date of application submission i.e. 15 October 2023. After level-1 screening based on weightage of academic credentials, 78 applicants were shortlisted. After level-2 screening based on weightage of write-up, out of 78 applicants, 30 applicants were provisionally selected.
2. All shortlisted candidates will receive email containing instructions for further procedures to confirm their participation for attending the workshop through Google form.
3. The selected participants must respond through Google form on or before 10.11.2022 (Friday) along with following documents.
 - a. **No objection certificate** from Head of institute/department allowing your attendance at the workshop.
 - b. **Identity card or equivalent document** supporting faculty/researcher status.
4. Non-receipt of response through Google form from the selected candidates by the deadline (10.11.2022) will lead to the cancellation of his/her provisional selection and the vacant seat shall be offered to the next eligible candidate(s) from the waiting list.
5. The selection of the participants by the selection committee is final and no correspondence in this regard will be entertained.
