

CORRIGENDUM

Postponement of the Walk-In-Written Test and or Interview for the project posts

This is regarding the advertisement No.19/PROJECT/2020 dated 02.07.2020, posted on our website regarding filling up of project posts in the ad-hoc research project entitled “**Development of Monitoring and Evaluation protocol for accelerated MDA with IDA for lymphatic filariasis elimination programme**” funded by Task Force for Global Health, NTD-SC.

In view of the current COVID-19 situation, the lockdown has been extended in Tamil Nadu. In view of the continued restriction on travel, **the Walk-in-Written Test & Interviews to be held between 5-7th August 2020 at ICMR-VCRC, Puducherry have been postponed.** The interested candidates may kindly send their duly filled-in applications by post to the following address **on or before 16th August 2020**, indicating the post applied for on the cover.

The Director
ICMR-Vector Control Research Centre,
Medical Complex, Indira Nagar,
Puducherry-605006

The applications will be screened and the eligible candidates will be intimated about the dates of written-test/interview as and when the COVID-19 situation improves.
