

**INDIAN COUNCIL OF MEDICAL RESEARCH - NATIONAL INSTITUTE OF RESEARCH IN TRIBAL HEALTH  
NAGPUR ROAD, P.O. GARHA, JABALPUR (M.P.)- 482003**

**ADVERTISEMENT**

The Director, ICMR-NIRTH, Jabalpur invites online applications up to 5 PM of 15.07.2020 for the following positions which are to be filled purely on temporary & contract basis for a period of **one year** or till completion of the project.

<b>(A) Name of Project - "Tracking antimicrobial and efficiency of malaria diagnostics in tribal area of India to achieve elimination goals"</b>						
<b>Sl. No.</b>	<b>Name &amp; no. of posts</b>	<b>Essential Qualification</b>	<b>Desirable Qualification</b>	<b>Age</b>	<b>Consolidated salary</b>	<b>Work Responsibility</b>
1	Scientist-B (Non-Medical) 1 Post : UR	First class Master degree in life Sciences from a recognized University with two-year experience in relevant field. Or Second class M.Sc. + Ph.D. degree in relevant subject from a recognized University.	Two year R&D/ Teaching experience in relevant subject after obtaining essential qualification. Candidates with knowledge of Bioinformatic applications (Swiss model, Modeller, Prime) for modeling of protein structure will be preferred.	Not exceeding 35 years.	Rs.48,000/- pm+20% HRA (Consolidated) equivalent to Pay Band-3 (Rs.15600- 39100+GP Rs.5400)	To plan, co-ordinate and execute research relevant to antimalarial drug resistant and malaria diagnostic in malaria endemic region. To analyze data using bioinformatic applications, write reports and suggest appropriate intervention/s.
2	Research Assistant- 2 Posts- (1 EWS, 1 UR)	Graduate in Life Science from a recognized university with three years work experience from a recognized Institution or Master's degree in Life Science subject.	Research Experience in Malaria related field work, diagnosis using molecular tools in a government, autonomous, PSU, recognized organization. Hands on experience in other molecular techniques such as DNA/RNA isolation, PCR and electrophoresis etc. Knowledge of computer applications. Candidates with the Knowledge of Bioinformatic applications (Swiss model, Modeller, Prime) for modeling of protein structure will be preferred.	Not exceeding 30 years. Relaxable up to 5 years for SC/ST and up to 3 years for OBC Candidates.	Rs. 31,000/- per month	1.To carryout field activity, enrolment and follow-up of malaria patients. 2.To carryout molecular diagnosis of malaria using PCR and DNA sequencing. 3.To assist in bioinformatic analysis of data.
3	Project Technician -III /Laboratory Technician 2 Posts- (1 OBC, 1 UR)	12 <sup>th</sup> Pass in Science subject and two years Diploma in Medical Laboratory Technician or one-year DMLT plus one-year related field /laboratory experience. <i>*B.Sc. Degree shall be treated as 3 years experience.</i>	Experience of one year in carrying out laboratory or field work related to malaria in Govt., Autonomous, PSU, recognized organization.	Not exceeding 30 years.	Rs. 18,000/- per month	To carry out demographic data collection of people with malaria. Blood sample collection, preparation of blood smear slides, staining and microscopic examination of malaria parasite and parasite counting.
4*	Multi Tasking Staff 1 Post - OBC	High School or equivalent.	Field and lab work experience related to malaria	Not exceeding 25 years. Relaxable up to 3 years for OBC as per DOPT GOI.	Rs. 15,800/- per month	Will be involved in field/laboratory activities including sample collection/data collection in study area.

<b>(B) Name of Project - “State level Viral Research and diagnosis Laboratory at ICMR-NIRTH, Jabalpur under managing Epidemics and Natural Calamities”</b>						
1	Research Assistant, 1 Post- (SC)	Post graduate degree in Biotechnology /Microbiology from recognized University.	Knowledge of computer applications.	Not exceeding 30 Years. Relaxable up to five year for SC as per DOPT GOI	Rs. 30,000/- per month	To conduct molecular and serological testing and research on viruses of public health importance, outbreak investigation in field. Experience in virology in and knowledge of biosafety will be preferred.
<b>(C) Name of Project - “Intensified Tuberculosis Control Project among Saharia- A particularly vulnerable tribal group in M.P.”</b>						
1	Project Assistant-Field Supervisor 2 Posts - (1 OBC, 1 UR)	Graduate in Science/Social Science from recognized university with three year research /field work experience from a recognized Institutions Or Master degree in science/ Social Sciences subjects	At least one year experience of supervision or carrying out research /field activities related to tuberculosis/Health issues in a Govt./ Autonomous, PSU, recognized organization. Knowledge of computer applications.	Not exceeding 30 Years.	Rs. 29,565/- per month	He /She will supervise the activities of TB health volunteers and field workers, perform periodic quality check, collect relevant data as & when required and would regularly report to the district coordinator/ Principal investigator regarding the progress of activities. Any other work assigned by the Director or PI.
2	Project Assistant-Block level treatment supervisor/ Field Investigators 3 Posts - (1 SC, 1 OBC, 1 UR)	Graduate in Science/Social Science from recognized university with three year research/field work experience from a recognized Institutions or Master degree in science /Social Sciences subjects.	Two years experience of supervision of TB treatment or worked in RNTCP or carrying out research activities related to TB/ Health issues in the field in a government, autonomous, PSU, recognized organization. Knowledge of computer applications. Individual with degree in AYUSH, MPH, Dental Science will be preferred	Not exceeding 30 Years. Relaxable up to 3 year for OBC as per DOPT GOI	Rs. 29,565/- per month	He/She will supervise the activities of TB health volunteers and field workers, perform periodic quality check, collect relevant data as & when required and would regularly report to the district coordinator/Principal investigator regarding the progress of activities. Any other work assigned by the Director or PI.
3	Project Technician-III /Field worker 3 Posts - (1 ST, 1 SC, 1 UR)	12th Pass in Science subject and two years diploma in Medical Laboratory Technician or one year DMLT plus one year related field /laboratory experience or two years field/laboratory experience from a Govt. recognized Organization. <i>*B.Sc Degree shall be treated as 3 years experience.</i>	At least one year experience of supervision or carrying out research /field activities related to Tuberculosis in a Govt, Autonomous, PSU, recognized organization.	Not exceeding 30 Years. Relaxable up to five year for SC/ST and 3 year for OBC as per DOPT GOI	Rs. 17,520/- Per month	They would carry out data collection along with volunteers on presumptive TB cases, sample collection etc. They will also follow patients for treatments, follow up etc. They will support IEC activities in the area and all project related activities.

4**	Project Technician-III /Lab. Technician 1 Post – (UR)	12 <sup>th</sup> Pass in Science subject and two years diploma in Medical Laboratory Technician or one year DMLT plus one year related field/laboratory experience. <i>*B.Sc. degree shall be treated as 3 years experience.</i>	At least one year experience of supervision or carrying out laboratory work related to Tuberculosis in a Govt, Autonomous, PSU, recognized organization	Not exceeding 30 Years. Relaxable up to 3 years for OBC as per DOPT GOI	Rs. 17,520/- Per month	They will be involved in processing of sputum samples at ICMR-NIRTH Laboratory /other laboratory activities and also in the field. Any other work assigned by the Director or PI
-----	--	---	---	--	---------------------------	--

**Note:** Selected candidates will be required to work in tribal/rural areas of Shivpuri, Sheopur, Ashoknagar, Gwalior, Bhind, Morena and Datia districts of Madhya Pradesh and ICMR-NIRTH, Jabalpur.

**(D) Name of Project** – “Understanding tribal culture, lifestyle, animal husbandry activities and cause of death in five tribes of India through establishment of tribal habitats”

1	Project Technician–C /Lab. 1 Post – (OBC)	12 <sup>th</sup> Pass in Science subject and two years diploma in Medical/Veterinary Laboratory Technician or One year DMLT plus one year experience in a recognized organization or two years field laboratory experience or animal house keeping in govt. recognized organization.	Experience in sample collection from human/animals. Knowledge of computer applications	Not exceeding 30 Years. Relaxable up to five year for SC as per DOPT GOI	Rs. 24,462/- Per month	He/She will be responsible for sample collection in tribal areas in three states and lab work in the Institute.
2	Project Technician–C /Field Worker 1 Post – (SC)	12 <sup>th</sup> Pass in Social Science/ Science subject from recognized Institution/Board.	Experience of field work in tribal/rural areas. Knowledge of computer applications	Not exceeding 30 Years	Rs. 24,462/- Per month	He/She will be responsible for data collection in tribal areas in three states and lab work in the Institute.

**(E) Name of Project** – “Life style intervention program on health seeking, malnutrition and malaria prevention in Ashram school children of Dindori district in M.P.”

1	Project Technician–C /Field Worker 1 Post – (EWS)	12 <sup>th</sup> Pass in Social Science/ Science subject from a govt. recognized Board/University.	One year experience of field work in tribal/rural areas from recognized Institution. Knowledge of computer applications	Not exceeding 30 Years	Rs. 17,520/- Per month	He/She will be responsible for data collection, field work and data management etc. assigned by the Director or PI
---	--	--	--	------------------------	---------------------------	--

**(F) Name of Project** – “Assessment of neonatal screening approaches for Sickle Cell disease and the effect of early intervention in management of the disease in Tribal populations”

1	Junior Medical Officer 1 Post – (UR)	MBBS degree from University recognized by MCI.	Post graduate degree in relevant subjects from recognized University. Additional Post-doctoral research /teaching experience in relevant subject in recognized Institutes. Knowledge of Computer Applications /Data Management. Or Two year R&D/teaching experience after MBBS.	Not exceeding 35 years.	Rs.60,000/-	Junior Medical Officer will be responsible for clinical examination of the newborns and later for management of SCA babies in Dindori and Mandla districts. He/She will lead the team and will coordinate with the clinicians of the state medical health deptt. He/She will be responsible for field trip.
---	---	--	---	-------------------------	-------------	---

<b>(G) Name of Project</b> – “Centre for the studies of complex malaria in India-2”.						
1.	Lower Division Clerk 1 Post – (UR)	(i) 12th Class Pass or equivalent qualification from a recognized Board. (ii) A typing speed of 35 wpm in English or 30 wpm in Hindi or 10500 KDPM in English or 9000 KDPH in Hindi.	(1) Graduation in any discipline from recognized University. (2) One year Diploma in Computer Application. (3) At least one year administration /accounts experience in reputed organization.	Not exceeding 25 year.	15,549/-	They will keep budget record, monthly staff salary bills and other project related administrative work. Any other work assigned by the Director or PI.
<b>(H) Name of Project</b> – Behavioural changes in Anopheline vectors in areas of insecticidal nets (ITNs/LLINs) use in Assam, Madhya Pradesh and Odisha: A Possible challenge to malaria elimination programme.						
1.	Data Entry Operator 1 Post – (UR)	Intermediate or 12th Pass from recognized board. A speed test of not less than 8000 key depressions per hour through speed test on computer.	Knowledge of data entry in health and research in English, MS office, mail wizard, Hindi English typing etc.	Not exceeding 25 year.	Rs. 17000/-	He would carry our data entry, management, analysis, validation and other project related work.

**Terms and conditions: -**

(1) Age is relaxable up to five years for Government Servants and SC/ST/OBC/PWD’s candidates in accordance to instructions of DOPT issued from time to time only in the reserved posts, no relaxation will be allowed in unreserved posts. Employees of ICMR/ Ministry of Health will be considered as departmental candidates for age relaxation. Departmental candidates or candidates working/have worked on projects of ICMR Institutes/Centre’s shall be given one-time age relaxation, provided they meet the essential qualification and experience prescribed for the post, with a view to provide them opportunity to compete with other candidates. If the candidates of reserved category are not available, appointment will be made from the candidates of other categories as per the recommendations of the selection committee and future vacancy filled from the candidates of relevant categories.

(2) Age will be reckoned from last date of receipt of application i.e. 15.07.2020.

(3) Preference will be given to the candidates having higher qualification and having work experience in related field and Laboratory work as per recommendations of committee.

(4) OBC candidates are required to submit the caste certificate issued by competent authority in the prescribed format (appendix-3) as per GOI instructions latest by 3 years old as on date of publication of this notification.

(5) Post mentioned under Project (A) Sl. No. 4\* candidates except VH & OH may apply and Project (C) Sl. No. 4\*\* PWD candidates may also apply, except VH category.

(6) Economically weaker sections (EWSs) candidates are required to submit income assets certificate in prescribed format issued by the competent authority as per GOI instructions.

(7) These posts are purely temporary and co-terminable with the project. Employees will be engaged on consolidated pay basis initially for a period of one year. The terms of engagement can be extended on yearly basis on successful progress.

(8) The appointment will be made on the basis of results of written examination/test/ or interview in person (following social distancing and other criteria) or by video conferencing mode.

(9) Selected candidate will not have any right to claim for regular appointment in the Council on the basis of project appointment.

(10) Candidates willing to apply for the post may download application form from the ICMR-NIRTH website ([www.nirth.res.in](http://www.nirth.res.in)). Duly filled application affixing recent passport size photograph along with self-attested copies of all relevant certificates should be sent to Project Cell, ICMR-NIRTH, Nagpur Road, P.O. Garha, Jabalpur (Madhya Pradesh)-482003 before 5 PM of 15.07.2020 by email ([nirthprojectjbp@gmail.com](mailto:nirthprojectjbp@gmail.com)). Late received applications will not be considered. Only short-listed candidates will be called for test/interview/video conferencing, no correspondence will be entertained in this regard.

(11) Incomplete applications, without photograph or without copies of relevant certificates will not be entertained. The Director, ICMR-NIRTH reserves the right to increase or decrease the no. of posts or reject the applications or cancel the notification without assigning any reason thereof.

(12) No TA/DA will be paid for appearing in examination/test/and interview. Any canvassing by or on behalf of the candidates or to bring political or other outside influence with regard to selection/recruitment shall be disqualification.

**Abbreviations:** -UR= Unreserve, OBC= Other Backward Caste, SC= Scheduled Caste, ST= Scheduled Tribe, EWS= Economically Weaker Section, PWD= Person with disability, GOI = Government of India, wpm= word per minute, KDPH= Key depression per hour.

**Senior Administration Officer**
