Comparing Methods of Assigning Causes of Death

National Institute of Medical Statistics, ICMR, New Delhi is undertaking a study entitled "Comparing methods of assigning causes of death" with collaborative funding from Ministry of Health & Family Welfare and World Health Organization with the objectives to field test the implementation of WHO harmonised international standard verbal autopsy (VA) questionnaires in the Indian context; to assess and compare the validity of different techniques (PCVA and CCVA) for assigning causes of death from WHO harmonised VA questionnaires, using the medical record based diagnoses for the select hospital deaths as reference values for validation of VA diagnoses for the same deaths from each of the different techniques; and to conduct VA and assign COD in select rural areas with the help of existing health infrastructure and recommend a suitable methodology for a routine national VA programme to ascertain causes of death in India.

Walk-in Interview for Multi Tasking Staff (MTS), as detailed below, will be conducted on 25th May 2018 at 10:00 A.M at National Institute of Medical Statistics, Indian Council of Medical Research (ICMR), Near AIIMS, Ansari Nagar, New Delhi-110029.
