

INDIAN COUNCIL OF MEDICAL RESEARCH, NEW DELHI

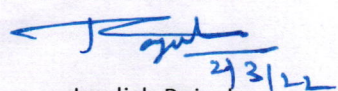

No. ICMR/HRSC/Sc-B(NM)/2020-Pers.

Dated: 02nd March, 2022

Notice

Based on the discrepancies communicated by the candidates, ICMR reviewed the category-wise provisional merit list and the comments are as under:-

| Sl. No | Point of discrepancies | Comments of ICMR |
|--------|--|--|
| 1 | Awarding of marks in interview | As per the procedure adopted, the CBT mark of the candidates, was not disclosed to the interview committee and the said committee evaluated the candidates during interview independently. Another committee compiled the scores of CBT & interview, and prepared category-wise merit list accordingly. Hence, the marks awarded during the interview, by a panel of experts cannot be reviewed, as per the instructions given in advertisement at Point No. G(xiii) |
| 2 | There are few names which were not in the list of candidates shortlisted for the interview | On the request of few candidates, the list of candidates shortlisted for interview were reviewed by the Competent Authority, and were allowed to appear for the interview, as they were also meeting the criteria. |
| 3 | One candidate at Sl. No. 23 of the UR select list, first 3 candidates of OBC list and 1 candidate at Sl. No 1 of SC select list secured the same score of 64.75 marks. In such scenarios, as per tie resolution in the advertisement, the candidates with older date of birth shall be placed above the younger one. | This matter has been reviewed and found that the first candidate in the OBC select list, Dr. Yadav Shyamjeet Maniram, having date of birth 12-06-1985, has availed age relaxation and hence cannot be considered under UR category. Dr Priya Rani, having date of birth 21-04-1986, being older by age to Dr Suhas Mhaske, having date of birth, 06-09-1987, has now been placed in the UR merit list. The revised merit lists shall be uploaded shortly. |
| 4 | To declare the result based on specialty/ stream/discipline. | ICMR has not mentioned anywhere in the advertisement, about group/stream/specialty wise distribution of vacancies. |
| 5 | Cut-off marks in the CBT, in all categories on the basis of which candidates were called for interview | This has been resolved as per clause 5(B)-Scheme of Exam, as mentioned in the advertisement. |
| 6 | Regarding marks obtained in CBT conducted on 01-11-2020 | A window period was given by the exam conducting agency, PGI, Chandigarh for CBT mark related issues. Hence, this cannot be reviewed now, as per the instruction given in advertisement at Point No. G(xiii) |
| 7 | Calculation of vacancy for PwBD candidates. | A total of 5 vacancies were earmarked for PwBD candidates for both medical and non-medical vacancies. |
