Office Order

(Indian Journal of Medical Research/IJMR)

Duties

In light of the proposed reform of IJMR by DG- ICMR and identification of Screening Editors, Associate Editors, Executive Editor and Technical editors. The Screening and Associate Editors have already been communicated about their roles officially.

The job distribution of Executive Editors and Technical Editors are as under: -

Executive Editors

- Journal management: Liaisoning with ICMR-administration, work allocation and team co-ordination
- Journal process co-ordination: Editorial-particularly for Special Issue of IJMR in consultation with EIC and production activities
- Activities pertaining to Desk-Level screening
- Issue planning, article editing and content finalization
- Troubleshooting and handling author/reviewer/Editor related grievance management

Technical Editors

- Monitoring the peer-review process for timely turnover of articles
- Processing articles from time to time to ensure fast turnover of articles
- Monitoring the monthly work turnover of Reviewers as well as Associate Editors and submit a report to the identified Section Officer/Finance Officer on a monthly basis for facilitating billing
- Communicating final article rejection comments once received from Process Consultants
- Inviting editorials for general issues of IJMR in consultation with EIC

This issues with the approval of Competent Authority.
