with regards,

Dear Sh. Bhargava

As you may be aware, India is on track to be declared Open Defecation Free (ODF) on 2nd October, 2019, a befitting tribute to Mahatma Gandhi on his 150th birth anniversary. The Swachh Bharat Mission - Gramin (SBM-G), thus, is increasing its focus on sustaining the gains made under SBM-G and solid and liquid waste management (SLWM), to maintain universal sanitation coverage and ensure holistic cleanliness in the villages.

Responding to the Prime Minister's special 200 days' intervention, the Government of India, through SBM-G, has been organising weekly Swachh Saptah (the million people participating awareness week) activities such as waste segregation, door-to-door change in cleanliness and behaviour at public places, around 15 crore people in SHS 2018 and approximately 20 crore individuals in SHS 2019 came together for Swachhata, including political leaders, government officials, sports person, actors, school children, youth from NYS/NCC/NSS and staff, leaders, alike.

During his Independence Day speech on 15th August 2019, and thereafter, his Mann Ki Baat later in the month, the Prime Minister made a call to action towards focused plastic waste management and towards the effective ban of Single Use Plastic (SUP). Hence, the theme of this year's SHS is Plastic Waste Management. The SHS 2019 will run from 11th September to 2nd October, Swachh Bharat Diwas, which will be focal point of the campaign with massive simultaneous for plastic waste collection to be organised in all villages and towns across the country.

Following this, from 3rd October till 27th October (Diwali), the collected plastic waste must be recycled and/or effectively disposed. A presentation on this regard was also made before the Council of Ministers. The PPT is being shared through e-mail.

It is requested that SHS 2019 activities including Garhshala may be undertaken in your Ministry/Department and all the subordinate offices in a big way during the campaign. Your Ministry is also encouraged to lead awareness campaigns and adopt innovative programs to ensure maximum activities undertaken. An action plan and a report on this may subsequently be shared with this Ministry.

With Regards,

Yours sincerely,
