Dear Secretary

The India Investment Grid (IIG) is an interactive and dynamic portal (www.indiainvestmentgrid.com), developed by Government of India, to showcase the investment opportunities across India to global investors. This is a significant and unique initiative to help investors identify and realize investment opportunities.

Invest India, the National Investment and Facilitation Agency, is anchoring this initiative.

Opportunities on IIG are being promoted on digital media platforms, major investor forums and business summits across the globe in partnership with the Indian Missions. The portal has recorded over 200,000 website hits and has over 4000 registered investors.

I would request you to display a hyperlinked logo of India Investment Grid (IIG) on your official website and direct relevant departments, agencies and industry associations under your ambit to do the same. This will inform potential investors and project promoters regarding this initiative and enable them to leverage it to their benefit.

Invest India has been asked to contact you and the nodal officers appointed by you regarding the above. In case of any queries regarding the above, you may reach out to:

Mr. Deepak Bagla
