

## INDIAN COUNCIL OF MEDICAL RESEARCH

No. FP-13(118)/2016-Admn-I

Dated: 22 March 2017

### Memorandum

The Director-General of the Council has created a new Division under **Dr S.M. Mehendale**, Addl. Director-General in the name of "Informatics, Systems and Research Management" (ISRM). The main objective of the ISRM as follows:-

1. State of the art systems and hardware at ICMR Hqrs.
2. Efficient e-linkage within and between ICMR centers
3. Complete online project management [phased implementation : from extramural to intramural, including finance management, amendments/ extension, reporting, monitoring, project closure]
4. Modernization of ICMR website [Global standard, modern features, interactive and dynamic nature, access to all ICMR institutes websites]
5. Management of Social Networks and Facebook – extending platforms

The Director-General of the Council has also decided that Dr. Chanchal Goel, Scientist-D, Division of P&I with team (Ad-hoc extramural project staff) and (ii) Dr. Harpreet Singh, Scientist- E (BIC) and BIC staff will henceforth report to Dr. Sanjay Mehendale, Additional DG.

(Agnes Xalxo)
