**Sub: Admission to the 11<sup>th</sup> batch (2016-17) of one year, part time course in Post Graduate Diploma in Disaster Preparedness and Rehabilitation affiliated to GGSIP University, Delhi - Nominations regarding.**

Dear Sir,

This is regarding nominations for the one year Post Graduate Diploma Course in Disaster Preparedness & Rehabilitation (part time programme), 2016-17 batch.

India is a disaster prone country and as auxiliary to the Government, Indian Red Cross Society (IRCS) assists the Government in relief and rehabilitation activities following disasters. Red Cross has the mandate and rich experience of organizing relief operations in times of disaster. It has trained members who initiate action and get involved in rapid response in situations of calamity. However, there is a massive need to enlarge this cadre base of trained personnel in this field in view of the increased frequency of Disaster in India and other parts of the world.

As a leading institution in the field, IRCS launched a one year part time PG Diploma Course in Disaster Preparedness and Rehabilitation in 2006 which covers the curriculum on Public Health Emergencies, GPS, GIS, Informatics and Communication Technology, Relief Operations in manmade/natural disasters, relief inventory and store management, life supports & rehabilitation management and preparedness etc. The course is affiliated to the Guru Gobind Singh Indraprastha University, Delhi. This provides a unique opportunity to working professionals and others to acquire necessary capabilities to provide leadership in the field in times of need. This part time course focuses on the development of skills and abilities in the field of disaster that matches the best practices available in this discipline today. Emphasis of the course has been to train professionals to improve the emergency response mechanism of the local bodies as far as preparedness, mitigation, relief and rehabilitation is concerned.

The course is being conducted at the Disaster Management Centre, IRCS (NHQ), 1-Red Cross Road, New Delhi-110001. The classes are being held on Mondays, Wednesdays and Fridays from 6.00 p.m. to 8.00 p.m. and on Saturdays from 10.00 am to 1.00 p.m.

*Besides didactic lectures, IRCS provides opportunities to the students in field drills and simulation exercises. The list of officers nominated by various departments to this course in the previous batches is available in pages 16 to 19 of the enclosed prospectus.*

A copy of the circular issued in this regard as well as the prospectus is enclosed. The 11<sup>th</sup> batch is scheduled to commence from Wednesday, the 10<sup>th</sup> August 2016. The last date for the receipt of nominations in IRCS (NHQ) is 25<sup>th</sup> July 2016. Application form and further details about the course is also available at website ([www.indianredcross.org](http://www.indianredcross.org)).

**In view of the above, I request you to kindly sponsor some of your officers for this course, whose services may be used in future for disaster prevention and response activities and also to provide leadership in the field in times of need.**

## CIRCULAR

**Sub: Admission to the 11<sup>th</sup> batch ( 2016-17) of one year, part time course in Post Graduate Diploma in Disaster Preparedness and Rehabilitation affiliated to GGSIP University, Delhi.**

The Indian Red Cross Society (IRCS) established in 1920 by an Act of Parliament, is one of the largest statutory humanitarian organization with 12 million volunteers and members. It reaches the community at the grass root level through its 700 branches spread all over the country. It is affiliated to the International Federation of Red Cross Red Crescent Societies which is the world 's largest humanitarian volunteer based network serving the vulnerable people across 187 countries . The IRCS strives to protect human life and is actively engaged in disaster response, relief, preparedness, health care and blood services in the community. The IRCS has developed a Disaster Management Centre at its National Headquarters which serves as a hub for disaster management related activities.

2. Indian Red Cross Society, as auxiliary to the Government, assists the Government in providing relief and rehabilitation following disasters. Red Cross has the mandate and rich experience of organizing relief operations in times of disaster. It has trained members who initiate action and get involved in rapid response in situation of calamity.

3. Since 2006, The Indian Red Cross Society (IRCS) is running a part time Post Graduate Diploma Course in Disaster Preparedness and Rehabilitation for working professionals and others. The course focuses on the development of skills and abilities of human resources that match the best practices available in the field today. The course is affiliated to the Guru Gobind Singh Indraprastha University, Delhi and is being conducted at the Disaster Management Centre, IRCS (NHQ), 1- Red Cross Road, New Delhi-110001. In the last 10 years, it has trained more than 300 managers who in turn can empower the community in planning, managing and coping with disasters in a planned scientific and systematic manner. However, there is a huge need to enlarge this cadre base of trained managers.

4. The objective of the course is to develop a cadre of experts who would in times of need respond to disaster efficiently and effectively and be able to train others to provide succor to the people in distress. The IRCS proposes to provide preference to sponsored candidates from the Government, International Organizations, Partner National Societies (PNSs), Local bodies, etc. It is therefore requested that eligible/interested candidates may be nominated/sponsored.

5. A copy of the prospectus and application form for the eleventh batch scheduled to commence from Wednesday, the 10<sup>th</sup> August 2016 is available at the website [www.indianredcross.org](http://www.indianredcross.org). The last date for receipt of application along with processing fees of Rs.500/- in IRCS (NHQ) is 25<sup>th</sup> July 2016.

You are requested to kindly sponsor suitable candidates for the course (2016-17 batch).

## *The Fundamental Principles of the Red Cross Movement*

### **Humanity**

The International Red Cross and Red Crescent Movement, born of a desire to bring assistance without discrimination to the wounded on the battlefield, endeavours, in its international and national capacity, to prevent and alleviate human suffering wherever it may be found. Its purpose is to protect life and health and to ensure respect for the human being. It promotes mutual understanding, friendship, cooperation and lasting peace amongst all peoples.

### **Impartiality**

It makes no discrimination as to nationality, race, religious beliefs, class or political opinions. It endeavours to relieve the suffering of individuals, being guided solely by their needs, and to give priority to the most urgent cases of distress.

### **Neutrality**

In order to continue to enjoy the confidence of all, the Movement may not take sides in hostilities or engage at any time in controversies of a political, racial, religious or ideological nature.

### **Independence**

The Movement is independent. The National Societies, while auxiliaries in the humanitarian services of their governments and subject to the laws of their respective countries, must always maintain their autonomy so that they may be able at all times to act in accordance with the principles of the Movement.

### **Voluntary Service**

It is a voluntary relief movement not prompted in any manner by desire for gain.

### **Unity**

There can be only one Red Cross or one Red Crescent Society in any one country. It must be open to all. It must carry on its humanitarian work throughout its territory.

### **Universality**

The International Red Cross and Red Crescent Movement, in which all Societies have equal status and share equal responsibilities and duties in helping each other, is worldwide.

## About the Organization

### PROFILE OF THE ORGANISATION

Indian Red Cross Society (IRCS) is a statutory organization constituted under Act XV of Parliament in the year 1920. The act was last amended in 1992 and rules were framed in 1994.

Hon'ble President of India is the President and Hon'ble Union Health Minister is the Chairman of the Society. The Vice Chairman is elected by the members of the Managing Body.

The National Managing Body consists of 19 members. The Chairman and 6 members are nominated by the President. Remaining 12 are elected by the state and union territory branches through an electoral college. The Managing Body is responsible for governance and supervision of the functions of the society through a number of committees. Secretary General, Dr. S.P. Agarwal, is the Chief Executive of the Society.

Apart from promoting humanitarian principles and values, the Indian Red Cross, among others, is actively involved in disaster response, relief preparedness and health care in the community. The IRCS has 35 State/Union Territories Branches that are further divided into more than 700 districts and sub district branches.

The IRCS, being a member, has close links with the International Federation of Red Cross and Red Crescent Societies (IFRC) and the International Committee of the Red Cross (ICRC). These are non political humanitarian organizations having wide exposure and experience in the related fields. The IRCS has also established good working relationships with other National Red Cross and Red Crescent Societies. The IRCS benefits immensely from these organizations technically and financially in times of need and for capacity building .

### CENTRAL TRAINING INSTITUTE (CTI)

The IRCS has established a state of art Central Training Institute (CTI) at Bahadurgarh on the fringes of Delhi. It is spread over an area of 5 acres and has all the modern facilities of a training institute. It contains equipments that are needed by a Disaster Response Unit- (DRU) for providing hands on training, water pools for training rescue operations and state of art training facilities for inhouse training and outdoor drills.

### DISASTER MANAGEMENT CENTRE (DMC)

The IRCS has developed a Disaster Management Centre at the National Headquarters which is retrofitted. This serves as a base for all disaster related activities. The centre is designed to strive for improved overall disaster management planning and response, as also for long term risk reduction activities. It has facilities to link all state branches and warehouses to provide efficient response and better coordination and monitoring. It serves as an information and knowledge management centre, monitor response operation and a need based 24 hour control room.

### POST GRADUATE DIPLOMA COURSE IN DISASTER PREPAREDNESS AND REHABILITATION (PG DP & R)

Besides imparting training in First Aid through St. John Ambulance and preparing National Disaster Relief Teams, the IRCS, keeping in view the acute shortage of trained manpower in disaster preparedness activities, is working towards having a cadre of qualified trainers through Post Graduate Diploma Course at its National Headquarters with its affiliation to the GGSIP University, Delhi.
