Diary No : 3122

Date : 3.5.2016

Dear Madam,

Employment News, launched in 1976, under Ministry of Information & Broadcasting, Government of India, is the nodal platform on information relating to vacancies in government jobs at Central Government, State Governments, Public Sector Undertakings (both Central and State), Universities, including Central Universities, and other similarly placed organizations. It is a weekly journal, brought out in English, Hindi and Urdu, with a circulation of over 3.4 lacs.

2. Employment News, through its widespread network, goes not only to all the metro towns but also to urban and semi-urban towns, thereby, creating awareness on job opportunities and thereby generates greater response to various posts.

3. In the Times of India newspaper dated Friday, May 13, 2016, we have seen the advertisement of Indian Council of Medical Research, New Delhi for the post of Scientist-D which was not sent to Employment News for publication. Employment News gives a wider publicity of advertisements in Metros, Urban and Semi-Urban towns to attract best talent.

4. As pointed out above, keeping in view the mandate given by Government of India to Employment News, we will request you to give advertisement in Employment News for future vacancies. The rates are approved by Directorate of Advertisement and Visual Publicity, Ministry of Information & Broadcasting, Government of India. For the advertisements placed directly with Employment News, we do not insist on advance payment and also offer a discount of 15% if paid in advance. However, in case of advertisement placed through an advertisement agency, advance deposit is a must. The details can be seen at our website www.employmentnews.gov.in for English and www.rozgarsamachar.gov.in in Hindi.

5. We look forward to a meaningful cooperation in advertising vacancies for professional talent available in all parts of India and assure you of our efficient services.

With regards,

Yours sincerely,

Kaur
