Dear Fellow,

The National Academy of Medical Sciences (India) defined and laid down the broad parameters of the Code of Conduct for the Fellows and Members.

One of the obligations enjoined on the Fellows is "To spot talent in medical institutions and bring to the notice of the Academy such distinguished persons with their bio-data so that they could be considered for Awards, Fellowship etc."

It has been observed that specialities such as Dental Surgery, Biotechnology, Biophysics, Molecular Medicine, Molecular Biology and Radiotherapy have very few Fellows of the Academy.

I am writing to request you to nominate distinguished persons for Fellowship, who have achieved professional excellence in any field of biomedical sciences.

The nomination forms for Fellowship and Membership will be sent to you on request.

The last date for receiving the completed nominations along with biodata for the year 2016 is 31st December, 2015.
