Sub: "15th Foundation Training Programme for Scientists and Technologists"
(November 23, 2015 to February 12, 2016)

Dear Dr. Swaminathan,

The Indian Institute of Public Administration (IIPA) is happy to announce the commencement of the "15th Foundation Training Programme for Scientists and Technologists" (Twelve Weeks) during (November 23, 2015 to February 12, 2016) for the Scientists and Technologists (B & C levels or equivalent). The Programme is sponsored by the Department of Science & Technology (DST), Government of India, New Delhi. **After the completion of the programme participants will be taken for a study tour to a foreign country by the DST.**

The Department of Science and Technology will bear the entire cost of the training organised through the IIPA. Only the expenses related to TA/DA of the participants for attending the training programme at IIPA, and reporting back to their respective places of duty, are to be borne by the nominating organizations.

We request you to kindly circulate this information among your Scientists/Technologists for the 15th Foundation Training programme. **Since only 25 nominations would be accepted on first cum first served basis, you are requested to send nominations from your organization at the earliest.** The nominations may be sent in the enclosed format with the endorsement of the controlling officer. The nominations may be sent to the DST Office or Programme Coordinators and the address/fax/email provided above.

The Institute has a Hostel where board/lodging facilities are made available to all the participants. Please note that the programme is fully residential and accommodation is only for the participants. **No family accommodation is available.**

With regards,

Yours sincerely

(Dolly Arora)

**FOUNDATION TRAINING PROGRAMME FOR SCIENTISTS AND TECHNOLOGISTS OF
THE S&T DEPARTMENTS, GOVERNMENT OF INDIA
(SCIENTISTS & TECHNOLOGISTS AT B & C LEVELS AND EQUIVALENT)
(NOVEMBER 23, 2015 to FEBRUARY 12, 2016)**

Programme Contents and Methodology

The Twelve week Foundation Training Programme for Scientists & Technologists is designed to provide the young scientist a holistic view of the Inter-relationship between Science, Society and Development. The significance of Socio-political, Cultural and Economic issues in management of science and technology will be examined in depth and detail. An attempt will be made to develop behavioral and problem solving skills. At the same time it will prepare the participants for future senior positions which will require not only technical but also administrative skills. The various components of the Programme include lectures, panel discussions, workshops as well as field visits. The **Urban and Rural Field Visits** will provide them an opportunity to examine ground realities.

The focus of the Programme would be to enable the participants to:

- Evaluate the symbiotic relationship between Science, Technology and Development.
- Examine the nature of relationship between the State, Civil Society and Market and their emerging roles in facilitating good governance.
- Appreciate the contemporary challenges confronting scientists and administrators in handling issues concerning Environment and Sustainable Development.
- Apply some of the good practices used in other organizations in implementation of S&T Policy.
- Prepare S&T projects for funding by the concerned departments.
- Acquire necessary behavioral skills for solving problems and overcoming difficult situations in work place.
- Comprehend administrative rules and procedures required for dealing with related Ministries, Departments and Organizations more effectively.
- Apply the basic concepts of Financial Management and Budgetary Control.
- Appreciate the relevance of legal framework pertaining to S&T.
- ICT-enabled Knowledge Management.
- Apply ICT-enabled Processes of Governance for improving public service delivery systems, Information Security, IPR/Copyright and Ethical issues.
- Evaluate the role of technology in Urban and Rural Development.

Note: On successful completion of the Foundation programme, the Participants are taken on a Foreign Study Tour by DST.
