Sub: National Career Service (NCS) dedicated by Prime Minister to Nation – Posting of all vacancies - reg.

Sir/Madam,

The National Career Service (NCS) has been dedicated to the nation by Hon'ble Prime Minister of India with the core objective to meet the career aspirations of youth by providing a common platform where they can access career related information, seek guidance and employment opportunities amongst other services. Improvements to the portal are being continuously made based on the feedback received to ensure its user friendliness.

2. In order to synergize the efforts being made by various government departments in enhancing employability and bringing more options to the youth, Government plays a crucial role in generating direct and indirect employment through its various activities. For the above purpose, the following steps may kindly be taken:-

Please post all vacancies including regular/part-time positions/internships (paid/non-paid), etc. on the NCS portal. NCS will provide access to these openings to a wide candidate database without entering into the recruitment process.

You are requested to kindly get the action initiated on the above so that the NCS portal can cater to the employment needs of the job seekers.

3. The NCS portal is hosted at the URL www.ncs.gov.in supported by a help desk with a Toll Free number (1800-425-1514) to assist users in availing the various services under the NCS Project. Your suggestions for improving the delivery of services may be sent directly to feedback.dget@nic.in

Yours truly,
