No. ICMR/Re-employment/2015-Pers.

Dated, the 25th May, 2015.

All Director/Director-in-Charge of the
Permanent Institutes/Centres of the ICMR (by name)

Sub :- Applications for Re-employment of Scientists of ICMR - Retiring by the end of 31st December, 2015 -

Sir/Madam,

The proposals with regard to Re-employment of Scientists of ICMR beyond the age of superannuation i.e. 62 years are examined periodically by ICMR. As such the cases of the deserving scientists, who are retiring from now onwards uptill the end of December, 2015 are required to be placed before a Committee for consideration of re-employment after the age of superannuation i.e. 62 years. (Proforma enclosed Annexure 'A').

In addition to above, the Scientist of your Institute/Centre who were re-employed earlier are hereby requested to submit half yearly/yearly progress report (if completed more than six months) which may please be sent to this office to review their work carried out by the Committee for further extension for re-employment with specific recommendation as per the enclosed proforma at Annexure-B.

You are, therefore, requested to send the requisite information about the scientists of your Institute/Centre to this office latest by 10th June, 2015 as per enclosed Annexure-A & B.

Re-employment in service to the superannuating scientists will be resorted to only in really exceptional circumstances.

This issues with the approval of the Competent Authority.

Yours faithfully,

J. Pal

(Joginder Pal)
Asstt. Director General (Admn.)

Encl : As above.

Copy to: Sh.S.K. Dey Biswas, Scientist-G, IRIS for display in ICMR website.

P.T.O.

DETAILS OF SCIENTIST RETIRING BY THE END OF 31st Dec., 2015

Sl. No.	Name of Institute of/Centre	
1.	Name of the Scientists with designation	
2.	The detailed curriculum vitae	
3.	Achievement of Scientist so far	
4.	The publication including projects Generated	
5.	Number of extramural projects Generated	
6.	Any technology/research methodology developed	
7.	In next one year what will he/she (work plan) do? Will he/she come out with any new Product/process or initiative?	
8.	For Hqrs. Scientists, additional information about the work related to knowledge of Product technology, S&T management of intramural project and involvement in translational work may also be provided.	
9.	Relevance of the work to be carried out for Institute/ICMR/Country.	
10.	What is the Institute's work plan for next one year?	
11.	Recommendations of the Director/Director-in-charge that in his/her absence particular project work cannot be handled and duration of the project work.	

J. P. P.

Signature of the Director/Director-in-Charge

PROGRESS MADE BY THE SCIENTISTS WHO WAS RE-EMPLOYED ON OR BEFORE 31.12.2015

Sl. No.	Name of Institute of/Centre	
1.	Name of the Scientists with designation already re-employed with date of re-employment	
2.	Work allocated by the re-employment Committee	
3.	Pointwise progress made during re-employed period	
4.	The publications during the last six month or more	
5.	Work to be carried out for the next 6 months	
6.	Impact of work done	
7.	Any new process/product developed, Trials Completed, if applicable, translation work done.	
8.	For Hqrs. Scientists, additional information about S&T management of intramural project and involvement in translational work may be provided.	
9.	Relevance of the further work to be carried out for Institute/ICMR/Country.	
10.	What is the work plan for further period of re-employment already approved?	
11.	Recommendations of the Director/Director-in-charge that in his/her absence particular project work cannot be handled/completed and duration of the project work.	

J. Pel
