Dear Dr. Katoch,

Publication Division working under administrative control of Ministry of Information & Broadcasting has been publishing Employment News in English, Hindi & Urdu. It essentially carries out advertisement issued by various recruitment agencies for recruitment to a range of posts in the Central and State Governments including different Public Sector Undertakings, Autonomous Bodies, Public Sector Enterprises, Commissions etc.

2. Employment News with a monthly circulation of over sixteen lakhs copies has a wide coverage and is a useful tool of information for young Indians seeking employment opportunities in the government sector. The advertisement rates are also very competitive duly approved by Directorate of Advertisement and Visual Publicity, Ministry of Information & Broadcasting. We are also bringing out a special column for North East Region to focus on employment opportunities available there.

3. Recently, e-version of the Employment News has also been launched and we are getting a very encouraging response. The reach of Employment News has thus become even wider and deeper with accessibility just a click away.

4. I, therefore, request you to issue suitable instructions to all organizations under your administrative control to advertise all their recruitment related notices in the Employment News. With a wider coverage and competitive rates, the information published will be useful to the youth of the country.

5. You may kindly advise all concerned to access further details in this regard at the e-mail director.employmentnews@gmail.com.

With regards,

JS(HR)

Sr DDG(A)

Yours sincerely,
