OFFICE MEMORANDUM

Subject :- Addendum in the guideline for operating the Intramural Research programme in ICMR

In continuation to the Office Memorandum dated 16/11/2023 on guidelines for operating the Intramural Research Programme in ICMR, the following addendum is hereby made :-

"Foreign collaboration in intra-mural research projects by an ICMR institute or scientist may be allowed in one of the following conditions:

- a) The research projects are co-developed by the ICMR scientist as Principal investigator or Co-Principal Investigator. The co-development of research projects means that the ICMR scientist was at-least an equal partner in conceptualization of the study, writing the study protocol, lab analysis, data analysis, interpretation of data, manuscript writing, etc.
- b) The facilities/skills/techniques/methods required to conduct the research are not available in India and ICMR scientist will learn these new skills/techniques/methods and establish the facilities in an ICMR institute through this collaboration.

The proposal must be submitted by the concerned Principal Investigator through the Director/Director-in-Charge of the institute after approval of the institute's Scientific Advisory Committee to International Health Division of ICMR headquarters for administrative approval by the DG, ICMR. Following this, it must be submitted to HMSC for approval."

This issues with the approval of the Competent Authority.
