Ansari Nagar, New Delhi
Expression of Interest**

Expression of Interest is invited from Scientists/Technical Officers working in ICMR Institutes/Centres and/or ICMR Headquarters for transfer/posting to the Intellectual Property Rights Unit (IPR) at ICMR Hqrs., New Delhi. Interested and eligible Scientists/Technical Officers may submit their request, as per the attached format, through proper channel to the email admn2355@gmail.com by **25/07/2024**.

The mandate of the IPR Unit is to-

- I. make scientists aware of the need and responsibility to protect new knowledge generated through IP rights, ownership of biological and other materials and data generated using ICMR funds and facilities;
- II. develop procedures at ICMR institutions to capture, assess and protect new intellectual property generated;
- III. provide ICMR scientists information on demand relating to patents in their areas of interest by maintaining appropriate national and international databases;
- IV. provide appropriate technological, professional and legal expertise and services to assist ICMR scientists to file patents in India and abroad;
- V. encourage and provide all support to universities and other institutions for protecting and commercializing new knowledge generated with ICMR support;
- VI. develop a licensing policy that ensures the maximal public health benefit and a fair return on investment from ICMR research;
- VII. serve in an advisory capacity to the Indian government on IP related issues concerning public health; and
- VIII. forge appropriate strategic alliances with national and international S&T agencies and industry to market its new inventions and develop professional knowledge networks for ICMR's technology management professionals.
