

## **Draft of Second edition of "National Essential Diagnostics List" for public comment**

Appreciating the urgent need to improve the availability of quality diagnostics at all levels of healthcare facilities in the country, Indian Council of Medical Research has drafted the second edition of National Essential Diagnostics List (NEDL). The list has been drafted in consultations with all the relevant stakeholders for all levels of health care.

The comments/views on the draft may be forwarded via email at [icmr.nedl2@gmail.com](mailto:icmr.nedl2@gmail.com) on or before 15/1/2025.
